# River 460

## River Boats, simple boating, safe and affordable!

River 460 are manufactured in 3-layers sandwich polyethylene, which is extremely impact resistant and durable, as well as requiring minimal maintenance.

River Boats are 100% recyclable and sustainable. River 460 is easy to manoeuvre and has a significantly lower weight than its competitors. Low weight cause positive effects such as higher speed and reduced fuel consumption.

### Recognitions

We are proud members of Norboat  
(Norwegian Boat industry Association)

Members of NBL  
(Norwegian Boatbuilding Association)

All stability and sea trials are performed by IMCI  
(International Marine Certification Institute)

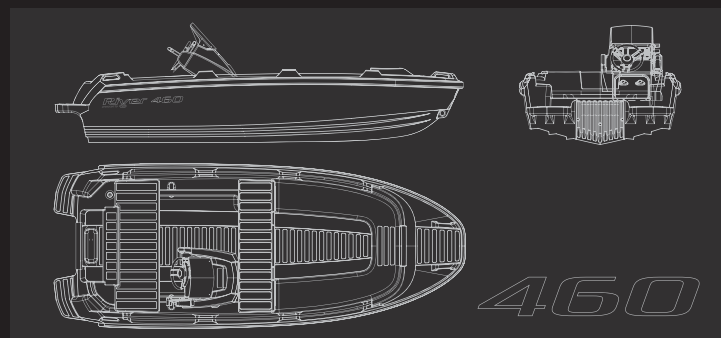

River 460 is manufactured following the strictest standards and comply with ISO 9001 og ISO 14001 by Roto d.o.o.
